3. When you have done this, please write a **short summary (80-100 words) in Spanish** of *what you have learned about this exam*.
-Include some *ideas of how you will be able to study best* over the course of the year.
-You can also include your *hopes, plans, areas of concern*, etc.

The Authentic Way to Study Spanish

Learn Spanish by watching Spanish videos in an online video player designed for language learners.

- **YABLA (2.5 - 3 hours) – 100 points.**
- You will watch a total of 10 music videos, short dramas & interviews on the website:
<https://spanish.yabla.com/>
- **YOU MUST REACH THE GOAL OF 500 POINTS PER VIDEO.**
- Then, you will do an assignment on the website requiring you to listen for the missing words as the video is played again. This will assess your listening comprehension. You will have your own login/password & your scores will be automatically recorded on the website.

Note: There are no excuses about computer problems. You have the entire summer to find a computer that works. If yours doesn't work, you are responsible for finding one that does & completing all the videos. (Library, friends, etc.)
